Designed to last

Concrete masonry products are designed to last the test of time.

Low maintenance

Minimal maintenance required to keep your pavers looking good.

Environmentally friendly

Low in embodied energy, recyclable and results in minimal waste.

Rust, rot and termite resistant

Concrete masonry products won't rust, rot or corrode and are termite resistant.

Strong and weather resistance

Strong and dense, concrete masonry is designed to withstand strong impact.

Design flexibility

The different Broadway paver sizes can be used in combination to create interesting designs.
