

Not just another brick, the ULTRA BRICK has been designed and engineered from the ground up delivering a premium pressed brick with a finish to suit any budget. A bespoke mix of raw materials have been combined with the latest pressing technology to produce a brick that is perfect in shape, consistency, durability, and easy to lay. Delivering crisp lines, rich colour and texture, the ULTRA BRICK is the brick range for the 21st Century.

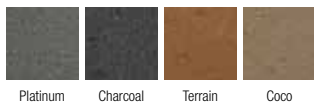

Benefits

- Finely texture surface with Bayferrox® pigments for vibrant long lasting colour
- Sika® additive to reduce likelihood of efflorescence
- No need to paint or render
- Non combustible
- Won't rot, rust, or delaminate
- Manufactured locally by National Masonry®

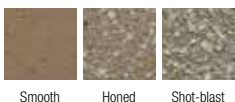

Where to use

- External and internal walls
- Feature walls
- Fences

Which colour

Available in 4 finishes

Premium look. Ultra results.
